REGISTRATION

All students are required to register for classes prior to every quarter of enrollment. All registration procedures are coordinated through the Registrar’s Office. The following rules apply to all students, whether new or returning:

• All tuition and fees are due and payable at registration (see Tuition and Fees section in the current Course Catalog for more information about costs and payment options).
• Students will not be permitted to enter MI facilities until required tuition and fees have been paid.
• Student registration will be closed at the close of business on Friday of the second week of classes.

NEW STUDENTS

Permission to register for classes is granted to new students only if they have been fully and completely processed through the Admissions Office and have completed placement testing where applicable (see Academic Calendar section in the current Course Catalog for dates). Instructions and materials for registration will be made available to applicants at the times designated for new student registration. Students who register late may be required to obtain approval and/or pay a late registration fee (see Tuition and Fees section in the current Course Catalog for fee amount) before being permitted to register for classes.

CONTINUING STUDENTS

All current students planning to continue their studies in a subsequent quarter are required to register for classes beginning the ninth week of the current quarter. Continuing students registering after the end of the re-registration period may be assessed a late registration fee (see Tuition and Fees section in the current Course Catalog for fee amount). Failure to officially confirm attendance for the subsequent quarter will result in courses and lessons (where applicable) being dropped from those students’ schedules and may result in termination of those students’ enrollment.

ACADEMIC REGULATIONS, POLICIES, AND DEFINITIONS

It is mandatory that all students enrolled in a certificate or degree (AA or Bachelor) program read and understand the following academic requirements (Applicability of requirements may vary for students enrolled in a Select program).

ACADEMIC CALENDAR

All degree and certificate programs operate on a year-round quarterly academic calendar, with each quarter consisting of ten weeks of classes and one week of testing, followed by two weeks of break.

NOTE: Musicians Institute does not reschedule, make up or otherwise replace classes, lessons, or other events that fall on holidays, during school closures or on other occasions on which the school is not open. See Academic Calendar section in the current Course Catalog for information on such closures.

ACADEMIC HONESTY/INTEGRITY

All students have an obligation to behave honorably and respect the highest ethical standards in carrying out their academic assignments. Academic dishonesty is defined as any form of cheating, falsification, and/or plagiarism. In cases where academic dishonesty or falsification of academic information is proven to have occurred, students may receive a failing grade and are subject to additional disciplinary actions up to and including termination from the program.
ACADEMIC INTEGRITY PROCEDURE

The violation of Academic Integrity commonly takes on (but is not limited to) three forms: Falsification of Documents, Plagiarism, and Cheating.

**Falsification of Documents** is defined as misrepresentation of facts and/or forgery upon a school or legal document. Documents proved to be falsified will become immediately null and void and any representations thereon will also be considered false and void.

Engagement in falsification of documents is deemed to be an act of academic dishonesty and may be grounds for disciplinary action. (See below)

**Plagiarism** is defined as copying or borrowing the ideas or work of another individual without acknowledgement and passing it off as your own. Plagiarism includes but is not limited to:

- The use of another individual as writer for term papers or homework assignments
- The purchase and submission of a chart, term paper or assignment and the passing off of such document as one's own work
- Copying another’s work verbatim without the use of appropriate quotation and referencing notation or citation
- Paraphrasing portions of someone else's work without giving him/her proper credit
- Presenting charts, songs, etc. for an evaluation that were not prepared by the presenter

Engagement in Plagiarism is deemed to be an act of academic dishonesty and may be grounds for disciplinary action. (See below)

**Cheating** is defined as dishonest activity of any kind in regards to examinations, course assignments, or alteration of records.

Cheating includes but is not limited to the following actions:

- Bringing unauthorized material into an examination,
- Communicating with other examinees or students during examinations (whether by speaking or other means),
- Reading the work of other examinees during the exam or attempting any of this type of conduct
- Knowingly gaining and/or utilizing a copy of answers to course examinations or assignments
- Bribery or coercion in the interest of achieving an unearned grade
- Being complicit in any act of cheating as a secondary party.

Engagement in cheating is deemed to be an Act of Academic Dishonesty and may be grounds for disciplinary action. (See below)

Violations of MI’s Academic Integrity Policies may be treated as follows (It shall remain under the discretion of the Program Chair and/or the Dean of Compliance and/or other school official to take other courses of action).

ACADEMIC PROBATION
Satisfactory Academic Progress is reviewed quarterly and students showing a cumulative GPA of less than 2.0 are placed on Probationary Warning status. A cumulative GPA of less than 2.0 for two consecutive quarters results in the student being placed on Official Academic Probation status. A continued cumulative GPA of less than 2.0 for three consecutive quarters results in loss of Financial Aid funding and termination from the program.

APPEALS/REQUEST FOR ACADEMIC REVIEW
A student has the right to appeal any change in status or grades that may affect his or her grade point average or ability to graduate. All such requests must be made in writing (forms/instructions are available in the Registrar’s Office) and submitted to Office of Academic Affairs. Students will be contacted about the committee decision within one week of submission. Submission of such a review does not exempt students from any school regulations, processes or common procedure.

ATTENDANCE REQUIREMENTS
Regular attendance is required and recorded in all classes and lessons and is factored into final grades. Students who show poor classroom or private lesson attendance will be contacted and counseled by an adviser. Continued absence from a class may result in a failing grade for that class (see the course syllabus for specific information on attendance). Absence from school for more than three consecutive weeks without an approved Leave of Absence will result in termination from the program.

Both scan-in and classroom attendance will be used to determine school and facility use/attendance and will be factored in to any change of status and withdrawals.

EXCUSED ABSENCES
Students are expected to attend every class for which they are registered, however, it is understood that an occasional absence may occur. In certain cases, the absence from class may be excused. All requests for excused absences must be submitted to the Registrar’s Office for review. The Registrar’s Office will decide whether to grant or deny requests based on the consistent treatment of all students. Examples of reasons for excused absences, which must be documented and are subject to review, include:

1. Jury or military duty
2. Medical emergencies (illness, injury, etc)
3. Bereavement

Excused absence requests must be submitted with accompanying documentation within five (5) school days after the student’s return to class. Requests submitted after this period and/or after Friday of Week 11 will be denied. The maximum number of excused absences per quarter is five (5) days. Requests for repeated absences from the same class may not be approved.

AUDITING
Attendance by students in courses for which they are not registered is not permitted.
TESTING OUT

Students may receive credit for certain courses through advanced placement or by challenging the requirements of a course for a fee (see Tuition and Fees section in the current Course Catalog for fee amount). Students wishing to test out of a course must pass an evaluation of their knowledge of course material with a minimum grade of A- (90%). Advanced placement tests are allowed only before or during the normal Add/Drop period at the beginning of the program for which the student has enrolled. In the case of sequential classes, prerequisite courses may not be skipped over via test-out once the original placement has been determined. Students are not allowed to test out of courses previously taken and failed. If a student meets the requirements for testing out of a course, a designation of “P” (Pass) is entered on the transcript and course credit is granted towards graduation requirements. Credits are counted toward units completed but are not factored into the GPA.

LATE TESTING

Late testing is permitted only for final exams missed due to emergencies or other unforeseen/unavoidable events, or for grades of “I” (Incomplete). Students requesting late testing must submit the proper form to the Registrar’s Office in advance whenever possible and pay the late testing fee, if applicable (see Tuition and Fees section in the current Course Catalog for fee amount).

COURSE REPETITION

A student receiving an overall course grade below C- (70) will be required to take the course again; full tuition will be charged and normal grading standards will apply. A student who has passed a course and earned credit may not re-take the same course for additional credit unless the catalog course description states that the course “may be repeated for credit.” A student may re-take a course for a higher grade without receiving additional credit; full tuition will be charged, only the highest grade will be factored into the GPA, and repeated units will be counted toward the total number of units attempted in the program.

SCHEDULING POLICY

MI reserves the right to create student schedules based on class/teacher/space availability. MI does not guarantee any student a specific schedule. Students, during their tenure at MI, may be moved from one section/class/room to another based on the needs and facilities of the school and greater student body.

FINAL EXAM WEEK

Week 11 of each quarter is designated as Exam Week (as such, students should not schedule vacations or trips home before they are aware of their Week 11 test schedule!).

INCOMPLETE (I)

A grade of Incomplete (“I”) will be approved only if the student is making satisfactory progress in the course, but cannot complete the final project or examination due to unforeseen, justifiable, and documented reasons including but not limited to: a medical emergency; jury or military duty; or bereavement. All incomplete course work must be made up before the end of the first week of the following quarter unless an extension is granted due to verifiable injury or illness or other valid circumstance. When course work is completed the satisfaction of all established requirements of the course, a grade will be issued to replace the “I” on the student’s transcript. Failure to complete the course work within the maximum allotted time will result in a grade of “F” replacing the “Incomplete.” An Incomplete on a prerequisite course must be resolved before the student can enroll in a class requiring that course as a prerequisite.
SATISFACTORY ACADEMIC PROGRESS (SAP)

Federal regulations require all institutions that participate in Title IV aid programs to define and monitor satisfactory academic progress (SAP) for all financial aid recipients. The standards must meet all federal requirements and be equal to or more stringent than the SAP standards for non-financial aid recipients. Students are required to meet both qualitative and quantitative academic standards while attending Musicians Institute. This policy insures that students are progressing through their programs of study and identifies students who may be at risk of failing. Satisfactory academic progress will be reviewed on a quarterly basis.

SAP DEFINED

Satisfactory Academic Progress (SAP) is calculated programmatically for all students attending approved programs at MI. SAP calculations for students in the Associate or Bachelor degree programs will be cumulative regardless of the performance program. SAP calculations for students in a non-matriculating certificate program will be calculated separately for each individual program. Students with a cumulative GPA (Grade Point Average) less than 2.0 in their current program of study and/or students that have completed less than 66.66% of their cumulative attempted units in their current program of study have not met the minimum requirements for Satisfactory Academic Progress (SAP) for that program.

SAP WARNING STATUS

Students that have not met SAP for one quarter will be sent a SAP warning letter. Students in a SAP warning status are encouraged to meet with a Student Affairs counselor to request free tutoring services offered on campus.

SAP PROBATION STATUS

Students that fail to meet SAP for two consecutive quarters will be notified of SAP Probation status. Financial aid will be suspended until the SAP probationary status is appealed and the appeal is approved. Students appealing the SAP probation decision must complete a SAP appeal form and meet with an Academic Advisor to complete an academic plan. The completed SAP appeal form and academic plan must be returned to the Financial Aid office for review. Accepted appeals will result in a reinstatement of the student’s financial aid eligibility. Students that are not receiving financial aid will be contacted by the Registrar Services office to complete both an appeal form and academic plan.

SAP WITHDRAWAL

Students in SAP Appeal that fail to follow their academic plan will lose their eligibility for student financial assistance and be dismissed from attendance.

STUDENT MESSAGES (ALL PROGRAMS)

When you scan your ID badge upon entering or exiting an MI building, you will be notified if you have any holds/reminders. Please respond to all holds/reminders IMMEDIATELY! Failure to respond to a hold/reminder in a timely manner may negatively affect class attendance.

STUDENT RECORDS

Students’ grades, documents, transcripts and permanent records are kept in the Registrar’s Office in the Hollywood Passage (or at a secure off-site document storage facility). To request a copy of a document or transcript, or for student records inquiries, please contact the Registrar’s Office at 323-860-1115 or studentrecords@mi.edu. STUDENT DISCIPLINE PROCEDURES
The procedures outlined in this section, based on common rules of fairness and due process, represent the steps employed to reach a resolution in cases of alleged misconduct.
Questions concerning these procedures may be addressed to the Office of Student Affairs.

A. REFERRAL OF COMPLAINTS
Complaints involving alleged misconduct by students will be referred to the Office of Office of Student Affairs will be made within one month following discovery of the alleged misconduct, unless an exception is granted by the Office of Student Affairs.
The Office of Student Affairs will refer the report to a Musicians Institute Designee (School Designee) or may provide information about other campus or community resources which may be of assistance in resolving the matter outside the Musicians Institute Student Conduct Code.

B. LETTER OF ADMONITION
A Musicians Institute Designee may provide notice to a student that his or her alleged behavior may have violated Musicians Institute policy or regulations and that, if repeated, such behavior may be subject to the disciplinary process.

C. INVESTIGATION AND NOTICE TO STUDENT
Upon receiving the complaint of the alleged violation(s), the Musicians Institute Designee (School Designee), may consider information acquired from a complainant and may augment that information through further investigation in order to determine if there is a reasonable suspicion to believe that a violation may have occurred. If the School Designee determines that there is a reasonable suspicion to believe that a violation may have occurred, the School Designee will give notice to the student of the following:

1. the nature of the conduct in question, including a brief statement of the factual basis of the charges; the time, date, and place it is alleged to have occurred; and Musicians Institute rules and/or regulations allegedly violated;
2. the nature of the student conduct procedures (to be accomplished by providing the student access to the Musicians Institute Student Conduct Code);
3. that the student has seven days from the date notice was given to contact the School Designee for the purpose of scheduling an initial meeting. Meetings are to be scheduled within ten days of the student contacting the School Designee. This schedule may be amended as a result of school breaks, closures and holidays.
4. that if the student does not contact the School Designee within the seven-day period or fails to keep any scheduled appointment, the student will be placed on Hold and the student will be notified that this action has been taken. The placement of a Hold may result in suspension of access to school functions or facilities, prevention of the student from registering and from obtaining transcripts, verifications, certificates or degrees from Musicians Institute. The Hold will be removed only when the student either attends a scheduled meeting with the School Designee, or requests in writing that the case be referred to the Student Conduct Committee for a hearing; and
5. that no degree may be conferred on a student until any pending disciplinary charges against a student are fully resolved.

In addition, the School Designee may direct the student to act or refrain from acting in a manner specified by the School Designee. These directions may include directing the student not to intentionally contact, telephone, or otherwise disturb the peace of others specifically named for a specified period of time. Violation of these directions is separate misconduct (Failure to Comply).

D. MEETING(S) WITH THE SCHOOL DESIGNEE ASSIGNED TO THE CASE
At the initial meeting with the student, the School Designee assigned to the case will:

1. ensure that the student has been provided information on how to access the Musicians Institute Student Conduct Code;
E. DISPOSITION BY THE SCHOOL DESIGNEE

After conducting any further necessary investigation, the School Designee assigned to the case may take one of several actions listed below. Regardless of the action taken, the School Designee will confirm his or her disposition of the case in a notice to the student within seven days of the action.

Additionally, the results of any disciplinary action or Agreement of Resolution by Musicians Institute regarding an allegation of sexual harassment, sexual assault, sexual misconduct, or other sex offenses will be disclosed to the alleged victim by the School Designee. The scope of information to be provided under this provision will be:

- the school’s final determination with respect to the alleged sexual harassment, sexual assault, sexual misconduct or sex offense; and
- any sanction that is imposed against the alleged offender with respect to the alleged sexual assault, sexual misconduct or sex offense.

1. Imposing Sanctions

If the student does admit responsibility, and if the School Designee concludes that there is sufficient information to sustain a finding of responsibility, the School Designee may impose or defer one or more of the sanctions listed herein.

2. Referral to the Student Conduct Committee

If the student does not admit responsibility, and if the School Designee concludes that an Agreement of Resolution (see below) is not appropriate, and that there is sufficient information to sustain a finding that it is more
likely than not that the student has violated the Musicians Institute Student Conduct Code, the School Designee will refer the case to the Student Conduct Committee for a hearing.

At any time until the Student Conduct Committee recorder makes report of the hearing decision, the student may make an admission of responsibility to the School Designee assigned to the case. The School Designee may then impose or defer one or more of the sanctions listed herein. This disposition is binding and terminates all Student Conduct Committee proceedings.

3. Insufficient Evidence

If the School Designee concludes that there is insufficient information to find the student responsible, the case will not be referred to the Student Conduct Committee for a hearing.

4. Agreement of Resolution

When the School Designee and the student agree that the above dispositions are not appropriate, an Agreement of Resolution may be used to conclude the matter. This Resolution, while not considered to be a finding of responsibility, is binding. If the student fails to abide by the terms of the Agreement of Resolution, that failure may be regarded as actionable misconduct and may subject the student to disciplinary action by the school.

An Agreement of Resolution may include-- but is not limited to-- such terms as:

- agreement by the student to refrain from specific behaviors, and/or to refrain from contacting others involved in the case;
- agreement by the student to participate in specified educational programs, counseling and/or reconciliation processes such as mediation;

The Agreement of Resolution will be retained in the case file in the Office of Registrar Records for seven years from the date of the Agreement. During that time, should the school have a reasonable basis to believe that the student has engaged in misconduct related in nature to the conduct which occasioned the Agreement, both cases may be the subject of Musicians Institute disciplinary action.

F. SANCTIONS

When a student admits responsibility or is found in violation of Musicians Institute policies or regulations, the School Designee may impose one or more of the sanctions listed in this Section; any sanction may be effective retroactively.

Any sanction imposed will be appropriate to the violation, taking into consideration the context and seriousness of the violation, and may include required enrollment in and completion of educational programs, classes, activities or workshops, which in the judgment of the School Designee will be beneficial to the student.

Where it is more likely than not that a violation of Musicians Institute policies or regulations has been committed against any person or group because of the person's or group's race, color, religion, ancestry, national origin, disability, gender, or sexual orientation, or because of the perception by the student charged with the violation that the person or
group has one or more of those characteristics, the recommendation or imposition of sanctions will be enhanced, and usually will result in Suspension or Dismissal.

1. **Exclusion from Musicians Institute Campus, Facilities or Official Functions**
   Exclusion of a student as part of a disciplinary action from specified areas of the campus or Musicians Institute-owned, -operated, or leased facilities, or other facilities located on Musicians Institute or affiliated property, or from official Musicians Institute functions when there is reasonable cause to believe that the student’s presence there will lead to physical abuse, threats of violence, or conduct that threatens the health or safety of any person on Musicians Institute property or at official Musicians Institute functions, or other disruptive activity incompatible with the orderly operation of the campus.

2. **Loss of Privileges and Exclusion from Activities**
   Exclusion from participation in designated privileges and extracurricular activities for a specified term or terms. Violation of any conditions in the notice of loss of privileges and exclusion from activities or violation of Musicians Institute policies or regulations during the period of the sanction may be cause for further disciplinary action.

3. **Restitution**
   A requirement for restitution in the form of reimbursement may be imposed for expenses incurred by Musicians Institute or other parties resulting from a violation of the Musicians Institute Student Conduct Code. Such reimbursement may take the form of monetary payment or appropriate service to repair or otherwise compensate for damages. Restitution may be imposed on any student who alone, or through group or concerted activities, participates in causing the damages or costs. Musicians Institute shall not be responsible for collecting restitution assessed to or incurred by any parties other than Musicians Institute.

4. **Warning/Censure**
   Notice or reprimand to the student that a violation of specified Musicians Institute policies or regulations has occurred and that continued or repeated violations of specified Musicians Institute policies or regulations may be cause for further disciplinary action, normally in the form of Disciplinary Probation, and/or Loss of Privileges and Exclusion from Activities, Suspension, or Dismissal.

5. **Disciplinary Probation**
   A status imposed for a specific period of time in which a student must demonstrate conduct that conforms to Musicians Institute standards of conduct. Conditions restricting the student’s privileges or eligibility for activities may be imposed. Misconduct during the probationary period or violation of any conditions of the probation may result in further disciplinary action.

6. **Hold on Musicians Institute Records**
   A Hold may be placed on the student’s Musicians Institute records for either a stated period or until the student satisfies any conditions imposed as part of another sanction. The placement of a Hold on the student’s Musicians Institute records may, for example, prevent the student from registering and from obtaining transcripts, verifications, or a degree from Musicians Institute.
7. Suspension

Suspension is the termination of student status for a specified academic term or terms, to take effect at such time the School Designee or Musicians Institute decides.

After the period of Suspension, the student will be reinstated if:

- the student has complied with all conditions imposed as part of the Suspension;
- the student is academically eligible;
- the student meets all requirements for reinstatement including, but not limited to, removal of Holds on records, and payment of restitution where payment is a requirement of reinstatement; and
- the student meets the deadlines for filing all necessary applications, including those for readmission, registration, and enrollment.

Suspension may include a prohibition against entering specified areas of the campus. Violation of the conditions of Suspension or of Musicians Institute policies or regulations during the period of Suspension may be cause for further disciplinary action.

8. Dismissal

Dismissal is the termination of student status for an indefinite period and may include an exclusion from specified areas of the campus. Readmission to the Musicians Institute campus, facilities or properties after Dismissal may be granted only under exceptional circumstances and requires the specific prior approval of Musicians Institute.

9. Revocation of Awarding of Degree

Should it be found that a degree, certificate or award was obtained by fraud, such degree, certificate or award is subject to revocation. Such revocation is subject to review on appeal by Musicians Institute.

G. POSTING OF SUSPENSION OR DISMISSAL ON ACADEMIC TRANSCRIPT

When, as a result of violations of the Student Conduct Code, a student is suspended or dismissed, the fact that the discipline was imposed must be posted on the academic transcript for the duration of the Suspension or Dismissal.

H. APPEAL OF THE SANCTION

If the School Designee imposes a sanction of Suspension or Dismissal, the student may submit a written appeal of the imposed Suspension or Dismissal to the Director of Student Affairs within seven days of the date of notice from the School Designee of his or her action. The imposition of a sanction of Suspension or Dismissal may be deferred during such appeal.

If, as a result of an appeal, it is determined that the student was improperly disciplined, the Office of Registrar Records will, if requested by the student, have the record of the hearing sealed and have any reference to the disciplinary process removed from the student’s record. In such case, the record of the hearing may be used only in connection with legal proceedings.
I. THE STUDENT CONDUCT COMMITTEE

When a case is referred to the Student Conduct Committee for a hearing, the following will be provided to the student to ensure a fair hearing:

- written notice, including a brief statement of the factual basis of the charges, the Musicians Institute policies or regulations allegedly violated, and the time and place of the hearing
- the opportunity for a prompt and fair hearing where the school will have the responsibility of proving that it is more likely than not that a violation occurred;
- the opportunity to present documents, defense and witnesses;
- a written report including a summary of the findings of fact and, at the request of the student, access to a copy of a record of the hearing; and
- an appeal process

1. Referral of Cases to the Student Conduct Committee
   A hearing will be provided for all cases referred to the Student Conduct Committee under the Musicians Institute Student Conduct Code.

2. Composition
   The Student Conduct Committee will consist of 3 individuals possibly including, but not limited to, member of faculty, member of Musicians Institute management, member of Musicians Institute staff, and member of Musicians Institute Directorship. One member of the Committee will act as Hearing Recorder.

3. Scheduling of Hearing
   It is the intention of the Musicians Institute Student Conduct Code that hearing will be set as soon as reasonably possible after referral to the Student Conduct Committee.

   Events such as holidays, school closures, forces of nature may require an extended timeline.

4. Hearing Procedures and Standards
   Hearings will be held in accordance with generally accepted standards of procedural due process.

   If a student absents himself or herself from the disciplinary process, or has withdrawn from Musicians Institute while subject to pending disciplinary action, the case may proceed to disposition without the student’s participation.

   Attendance at such hearings will be at the discretion of Musicians Institute.

5. Continuing Resolution between the Student and Musicians Institute
   Until the Student Conduct Committee has published its decision to Musicians Institute Senior Management and the student, the student may make an admission of responsibility to the School Designee assigned to the case.
6. Reports of Student Conduct Council Hearing decision to Musicians Institute Senior Management and Student.
Within fifteen days after the conclusion of a hearing, the Student Conduct Committee Recorder will submit a notice of the Committee decision to Musicians Institute Senior Management and the student including:

• a summary of the allegations and the outcome of the Committee examination of the information concerning the alleged misconduct, including the positions of the parties and a summary of the evidence presented;
• whether, in the opinion of a majority of the Committee, the student has violated one or more of the Musicians Institute policies or regulations that the student has been charged with violating; and
• a decision of sanction based on those conferred in similar cases and in any previous cases of misconduct by the accused student on file with the Office of Registrar Records. Such sanction shall be carried out by all relevant parties on the time line decided by the Committee.

J. APPEAL BY STUDENT
1. When a student has appealed in writing a decision or sanction by Musicians Institute, the final decision regarding the outcome will be made by Senior Management, which will review the evidence and findings and may engage in further research to ensure that the process above has been carried out fairly and in accordance with due process. Within 20 days of the submission of appeal, Senior Management will notify the student as to the decision on the appeal. The decision of Senior Management will be final and complete.

2. When reviewing a student’s appeal of a sanction of Suspension or Dismissal, decision may be based upon

   i. any written appeal submitted by the student regarding the sanction; and
   ii. information from the Office of Registrar Records regarding sanctions imposed in similar cases and any previous cases of misconduct by the student on file.

3. The written decision will be delivered to:
   i. The student and his or her representative, if any;
   ii. The Musicians Institute Office of Registrar Records; and
   iii. Other Musicians Institute departments/employees as necessary to carry out sanctions

The results of any hearing in which sexual harassment, sexual assault, sexual misconduct, or sex offenses are alleged will be disclosed to the alleged victim by the School Designee. The scope of information to be provided under this provision will be:

1. the Musicians Institute’s final determination with respect to the alleged sexual harassment, sexual assault, sexual misconduct or sex offense; and
2. any sanction that is imposed against the alleged offender with respect to the alleged sexual assault, sexual misconduct or sex offense.

INTERIM SUSPENSION

Before final determination of an alleged violation, Interim Suspension may be imposed by the School Designee.

1. Interim Suspension may include exclusion from the Musicians Institute campus, facilities, classes or from other specified activities. A student will be restricted to the extent necessary when there is reasonable cause to believe that the student’s participation in Musicians Institute activities or presence at specified areas of the campus will lead to physical abuse, threats of violence, or conduct that threatens the health or safety of any person on Musicians Institute property or at official Musicians Institute functions, or other disruptive activity incompatible with the orderly operation of the campus.

2. Upon imposition of the Interim Suspension, the School Designee will notify the student under the Interim Suspension of the charges against him or her, the length and conditions of the Interim Suspension, and the opportunity for a hearing.

3. Appeals concerning the contention that the Interim Suspension is unnecessary or that its conditions should be modified shall be made in writing to the School Designee and decisions thereon shall be based on information contained therein and upon whether there is reasonable cause to believe that the student’s participation in Musicians Institute activities or presence at specified areas of the campus will lead to physical abuse, threats of violence, or conduct that threatens the health or safety of any person on Musicians Institute property or at official Musicians Institute functions, or other disruptive activity incompatible with the orderly operation of the campus.

4. Disciplinary proceedings involving students on Interim Suspension will follow normal procedures provided in the Musicians Institute Student Conduct Code.

PRIVACY AND RECORDS RETENTION

Student discipline records are confidential. The disclosure of information from such records is subject to the Musicians Institute Policies Applying to Campus Activities, Organizations and Students the California Information Practices Act (http://www.privacyprotection.ca.gov/ipa.htm), and the Family Educational Rights and Privacy Act (www2.ed.gov/policy/gen/reg/ferpa/index.html).

The Office of Registrar Records retains student discipline records for seven years from the date of the notice of final disposition. When there have been repeated violations of the Musicians Institute Student Conduct Code, all student discipline records pertaining to an individual student will be retained for seven years from the date of the final disposition in the most recent case. In those cases where the final disposition is Dismissal, the student’s discipline records will be retained indefinitely.

Upon receipt of a request from professional schools, graduate programs, employers, or others, for the disciplinary records of a student, after the student provides an appropriate confidentiality waiver, the Office of Registrar Records will only report and/or release records where violations resulted in suspension and/or dismissal, both imposed and deferred, or the revocation of the awarding of a degree. Should the requesting party seek broader disclosure of a student’s discipline record, the Office of Registrar Records will not provide additional records or information.
AMENDMENT AND MODIFICATION

Amendment of the Musicians Institute Student Conduct Code may be made by Musicians Institute at any time. Before adoption, Musicians Institute will review any and all measures, rules and policies for consistency with common academic policies (where appropriate) as well as with state and federal laws and regulations.

*Musicians Institute will not refund tuition to students for lost privileges or lost access to MI’s campus and facilities or classes, tests, performances, lessons, appointments, or other activities and events resulting from a disciplinary action except as required by State or Federal policies.*

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)
The Family Educational Rights and Privacy Act or FERPA is a federal privacy law that gives post-secondary students certain protections with regard to their academic records. Academic records include but are not limited to attendance, financial aid, school account information, tax information, report cards, transcripts, disciplinary records, contact and family information, class schedules, charges, payments, and account balances. In general, schools may disclose “directory information” to qualified individuals and/or organizations without prior consent of the student. "Directory information" is defined as a student's name, photograph, date and place of birth, major field of study, grade level, and participation in officially recognized activities and sports, electronic mail address, degrees, honors and awards received, and dates of attendance. However, schools must tell students about directory information and allow them a reasonable amount of time to request that the school not give out their directory information. To opt out, students must complete the Directory Opt Out form and submit it to the Registrar’s Office no later than Friday, Week 2 of the quarter in which they are enrolled.

FERPA-protected records are accessible only by those individuals to whom the student grants permission. Students may grant permission to access FERPA-protected records to individuals such as a/an parent, aunt, uncle, sibling, grandparent, spouse/partner, etc., by indicating the individual(s) name(s) and relationship to student below. Under FERPA regulations, Musicians Institute is permitted to discuss information contained in and pertaining to academic records with eligible parents of dependent students without prior consent of the student.

NOTIFICATION OF STUDENT RIGHTS UNDER FERPA FOR MUSICIANS INSTITUTE
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records.

These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day that Musicians Institute receives a request for access. A student should submit to the Registrar or Director of Registrar and Scheduling, a written request that identifies the record(s) the student wishes to inspect. The designated official will make arrangements for access and notify the student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask Musicians Institute to amend a record should write the Registrar, clearly identify the part of the record the student wants changed, and specify why it should be changed. If Musicians Institute decides not to amend the record as requested, the student will be notified in writing of the decision as well as the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to request, in writing, Musicians Institute not disclose personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. Musicians Institute discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Musicians Institute in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Musicians Institute has contracted as its agent to provide a service instead of using Musicians Institute employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the school.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Musicians Institute to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW

COPYRIGHT INFRINGEMENT POLICY

INTRODUCTION

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

The Higher Education Opportunity Act of 2008 (HEOA) includes provisions that are designed to reduce the illegal uploading and downloading of copyrighted material through peer-to-peer (P2P) file sharing. These provisions include requirements that:

- institutions certify to the Secretary of Education that they have developed plans to “effectively combat” the unauthorized distribution of copyrighted material;
- institutions make an annual disclosure that informs students that the illegal distribution of copyrighted materials may subject them to criminal and civil penalties and describes the steps that institutions will take to detect and punish illegal distribution of copyrighted materials;
- institutions publicize alternatives to illegal file sharing.

This document outlines Musician Institute’s plan to comply with these requirements.
PLANS TO “EFFECTIVELY COMBAT” THE UNAUTHORIZED DISTRIBUTION OF COPYRIGHTED MATERIAL

Musicians Institute currently employs bandwidth-shaping technology to prioritize network traffic, and blocks students’ ability to access these sites from the student computer networks.

Musicians Institute responds promptly to legitimate notices or letters of illegal copyright infringement based on the requirements of the Digital Millennium Copyright Act and directs both our Information Technology and Compliance departments to investigate and respond.

SANCTIONS

Musician Institute will cooperate fully with any investigation by public authorities related to illegally downloaded copyrighted information. Students found guilty will be subject to the full extent of fines and penalties imposed, as well as facing automatic loss of Musician Institute network access, and possible suspension.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorney fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense. For more information, please see the website of the U.S. Copyright Office at www.copyright.gov, especially their FAQs at www.copyright.gov/help/faq5.

MAINTENANCE OF THIS PLAN

Musician Institute will review this plan each year to insure it is current and maintains the appropriate and necessary information to effectively combat illegal file sharing, as well as update the methods employed as new technological deterrents become available.

Members also gain access to online job boards, a search engine exclusive to MI Connects, and a community forum.

Gig opportunities are posted regularly on MI Connects job boards on the website and in school. Listings range from paying gigs, to original bands showcasing for record labels, to signed artists auditioning or replacing band members.

For audio engineers, opportunities range from intern and runner positions to first engineer jobs in both audio and post-production facilities. You may also receive referrals for teaching and other musical opportunities in the LA area and beyond. All students/alumni are highly encouraged to stay connected via MI Connects because the contacts and networking opportunities remain equally important in the years after graduation – many of MI’s success stories have come about because former students stayed in touch with each other and MI. LIVE PERFORMANCE WORKSHOPS (LPW)

OVERVIEW
A minimum of ten LPW performance credits are required per quarter. In the event a student achieves more than ten performance credits in a quarter, the ten highest grades are averaged for the final grade.

The possibility of earning multiple LPW credits during a single LPW class meeting is possible. **One LPW credit per hour is allowed.** For example, if a student plays the Modern Rock LPW at 3:20, 4:20, and 5:20, they would receive three LPW credits.

LPW classes are scheduled from week 1 through week 10. As week 11 is the final exam/testing week, there are no LPW classes during week 11. No LPW credits can be awarded during week 11.

POLICY CHANGE EFFECTIVE SP2015: In accordance with the cessation of retesting beginning in SP2015, students will no longer be allowed to complete the necessary ten LPW credits for an LPW class during week one of the following quarter, beginning in SP2015. If the necessary LPW credits have not been completed for an LPW class by EOD Friday of week 10, the LPW class is considered failed and it must be re-taken. No credits from the failed LPW class will carry over into the following quarter.

SIGNUP PROCEDURE:
Student sign-ups for LPWs are found on the portal: MI Portal App for iOS/Android; mobile.mi.edu for Desktop. Students are to log in with their username and password, then go to My LPW> SP2015 (or current quarter) LPW Sections. There they can browse through weeks, songs, and hours. Students can tap or click on the available slots to sign up (you can sign up one week ahead of time). **Students can also show up to an LPW without signing up. If spots are available, students can perform.** Any of the instructors in the LPW class can sign up “walk-in” students.

**Students may delete** their LPW slot anytime before the class begins, however, they must do so 12 hours before the class begins in order to avoid penalty. If an LPW sign-up is cancelled less than 12 hours before the class or if a student does not show up and does not cancel a performance for which he/she signed up, the performance credit is marked as a “No Show.” **Each “No Show” is 2 points off the student’s final grade.**
After completing an LPW, the student should **always check the portal to make sure they've been properly credited.** Sometimes a grade doesn’t get registered due to fingerprints on iPhones and the like. **If this occurs and a legitimate LPW performance has not posted to the student's record, do not hesitate to contact the instructor or lpwhelp@mi.edu.**

If you have any other question or issues regarding LPW please contact: lpwhelp@mi.edu

GETTING THE MOST OUT OF MI

Musicians Institute is a veritable gold mine of opportunity and information, and as it is with most things in life, there is a direct relationship between what you put into it and what you get out of it. We regard you as a mature individual who has shown the desire to make it as a creative professional, and we are prepared to equip you with the tools you need to accomplish your goals and show you how to get there as quickly and efficiently as possible.

RESPECT FOR OTHERS

Professional success comes from a combination of skills and attitude. The best opportunities almost always come about through personal contacts and recommendations, and you are establishing those contacts NOW. Your fellow students, teachers and staff are your peer group—professional musicians with whom you are associating with every day and who will influence your career for years to come. Make sure that your conduct speaks well of you. Treat everyone as you would like to be treated.

RESPECT FOR YOURSELF

Maintain a healthy diet, exercise, and take time to enjoy a social life. Drug and alcohol abuse have ruined many promising careers and have no place in your development as a serious professional. Set reasonable goals for yourself. Organize and manage your time and materials. Don’t leave your instruments or valuables lying around the campus. Use and follow your own good common sense.

VIDEO, AUDIO, TEXT AND OTHER RESOURCES
The Library makes available a wide variety of videos including concerts and seminars filmed at MI, LPW performances, music-oriented feature films, and music instruction videos.

To use the Video and audio streaming service and to download LPW recordings, please follow the directions at library.mi.edu or speak with a Library Services staff member.

PRACTICE STATIONS
One of the more popular resources at the MI Library is the practice station area. This part of the library is divided between two different sets of practice stations. The middle section contains 23 individual stations with CD trainers (guitar and bass) that will allow for CDs to be played and sound manipulated while an instrument is plugged in. This makes it so that you can learn thousands of songs as well as work on developing your technique. The back section contains 45 individual stations each with an iMac that contains a host of beneficial programs including Garage Band and Guitar Rig. You can also plug your instrument into these stations and utilize these programs that will help you become a better player.

The practice stations are a major resource to the MI Library and are designed to support all students in improving their proficiency with their preferred instrument/s. These spaces are available on a first come first serve basis, and any personal property (instruments, backpacks, purses, etc.) left in the station area unattended will not save your spot. Also remember that because of the high traffic of this area, unattended belongings may not be entirely secure.

CURRICULUM REPLACEMENT
Replacement curricular materials may be purchased through the Library Services Manager. Students must present proof of enrollment in the associated class. Please allow 24 hours for printing and delivery of replacement curricular materials.

LOST AND FOUND
The Lost and Found can be found in the Library. Items are recorded into an official Lost and Found Log. Items of lesser value (notebooks, glasses, etc.) will be held for a period of 30 days. Items of greater value (instruments, computers, phones, etc.) will be held for a period of 90 days. Please see a Library Services worker for assistance.

CIRCULATION
To check out items from the library, follow these steps:
CAMPUS SERVICES, POLICIES & PROCEDURES

1. Look up the item of your choice on www.search.mi.edu (located on the MI Library page), write the call number down (which is located in the item record) and hand the Library Services Staff member your ID badge. GUITAR/BASS PROGRAMS

After 6:00PM Monday through Friday, the counseling labs are available for practice and rehearsals. Exact equipment varies from room to room but is limited to guitar and bass amps. Consult a Library Services Staff member to reserve a two-hour slot weekday evenings in a counseling lab.
